

### Small Group Questions

Read Mark 3:22-30 (we didn't read it all in the service)

Were there times before you were a Christian (if you are), that you can remember resisting the Holy Spirit's call on your life? Explain.

What happened that finally led you to submit to the call of the Spirit, and put your faith in Christ?

Is there anyone in your life who is persistently and unrepentantly blaspheming (resizing) the Holy Spirit and the work of Christ? Is there anything the Spirit is leading you to do for/with them?

As a Christian (if you are), what are some things you do resist (or have resisted) of the Spirit in your life around you? Has God changed your perspective or your heart? If not, what do you need to do to yield to Him?
